This is to acquaint the Curious,

THAT there is at this Time to be ſeen, without any Loſs of Time, at the a moſt amazing Prodigy of Human Nature, being a young freſh Country Lad juſt come from *Suffolk*; who is cover'd all over his Body, except the Face, Palms of his Hands, and Soles of his Feet, with Briſtles like a Hedge Hog, as hard as Horn, which ſhoot off Yearly. He has been ſhewn before the Duke of *Grafton*, the Duke of *Bolton*, Sir *Robert Walpole*, Sir *Hans Sloane*, and moſt of the Nobility in *England*, alſo the Royal Society, and ſeveral eminent Virtuoſo's and Phyſicians, who all declare they never ſaw nor heard of the like curious and wonderful Object.

N. B. His Stay here will be but ſhort.
